These are just some of the talking points that a multitude of enterprises use in their perpetual efforts to influence our opinion. Can you remember when you chose something simply because it appealed to you, perhaps in total defiance of popular opinion or trends? It probably felt good, and it is likely among your most cherished possessions.

If a painting makes you smile, if it rekindles a memory, if it makes you think, then there is no logic or opinion that should have the power to dissuade you from the choice that comes from your heart.

Here are twenty-one paintings, all by highly credentialed artists. We have intentionally withheld their names to eliminate the persuasive nature of fame.

Have the courage to **CHOOSE WITH YOUR HEART.**
