JUNE 2022

Questroyal Fine Art is distinctly different from most other galleries. For three decades, we have strived to own the paintings we sell because commitment proves conviction, hones connoisseurship, and earns the trust that allows us the privilege to include many prominent museums as clients. Annually, we offer one-third of our inventory in a summer sale. We have not lost confidence in the quality of the paintings presented. The purpose of the sale is to generate capital to continue our consistent acquisition of exceptional paintings. To substantiate this, within one year of the date of any sale, we will provide a gallery credit equal to the purchase price for any buyer that prefers another work in our extensive inventory.

Take advantage of this limited opportunity to acquire important works by American masters, including Albert Bierstadt, Charles Burchfield, Sanford Robinson Gifford, Childe Hassam, and many others.

LOUIS M. SALERNO, Owner
