This brochure features just 18 of the 100+ works offered in this annual event. Browse every work available by visiting [www.questroyalfineart.com/special](http://www.questroyalfineart.com/special).

This is not an ordinary sale—it offers collectors a chance to acquire exceptional paintings at seriously reduced prices. All are valued at, below, or near our cost, and examples by many of our nation's most revered artists are included.

A gallery that buys aggressively must be willing to present exciting opportunities to its clients. It's simply good business! Timed to generate cash flow during the sluggish summer season, I am looking forward to the frenzy—the phones ring, clients visit, and everyone is genuinely excited. The action and enthusiasm are potent tonics that benefit everyone.

Since we own nearly all of the paintings we sell, you can be certain that every work offered has been selected for its quality and value. The sale ends on August 30, 2019. This will be the only chance to acquire these paintings at such extraordinary valuations.

In past sales, many works have sold quickly and, inevitably, collectors who hesitated have been disappointed. We are ready when you are!
