JANUARY 2019

Do you remember those childhood thrills? Perhaps the moment you saw that gleaming bicycle in the store window? You didn't care about its specifications. They had no bearing on your intense and immediate desire to own it. With just one look, you knew how much you wanted it!

That should be the way we experience the art we wish to own. Let's fall in love first, and ask questions later.

If you dare, here are eighteen paintings with signatures obscured and nothing to persuade you except you! Choose with your heart first, then visit our website or contact the gallery for more information.
