12th ANNUAL SUMMER SPECIAL SALE

In this, our Twelfth-Annual Summer Sale, we offer over 175 American paintings by many of our nation's most cherished painters. This sale enables us to freshen and rebalance our inventory so that we may offer many new and exciting paintings throughout the year. Since we commit our own capital to acquire many of these works, you can be certain that matters such as dating, subject, composition, and condition have been carefully evaluated. At these significantly reduced prices, we think you will find many of these works to be irresistible values.

We believe in American paintings and will reinvest all of the sale's proceeds and much more to continue our dedicated acquisition of American art. These paintings have remained relevant across three centuries and will prevail long after our society's fascination fades for creations that few of us can understand.

If you cherish art, then these time-tested works are worthy of your attention.
